**Subject:** Administrative Order on Consent Docket Number CERCLA-08-2018-0002to

Dear Joyce,

Further to your phone call with Tom Krasovec on November 27, Stratus' general road building contractor, Scott Contracting, Inc., will begin construction of the access road for the drum removal action on Monday, December 4. The work will be conducted under the observation of ACTEnviro's CAbi and pursuant to the Storm Water Management Plan.

Stratus will notify EPA, under separate cover, of the names, contract information, and qualifications of all contractors and subcontractors that will perform the Work under the AOC, including Scott Contracting, Inc.

Please don't hesitate to contact me if you have any questions or concerns.

Best regards,  
Dave
